Subject **New Hardware and Software Requirements for Eurex Repo
and Eurex SecLend Trading Client**

Dear Participants

Please be advised that we have published new **Hardware and Software Requirements** (Version 1.09, 08.06.2010) for the Eurex Repo and Eurex SecLend trading. The new hardware and software requirements are effective immediately and replace all previous versions.

The new requirements are attached to this message and can also be downloaded from the Eurex Repo website at:

<http://www.eurexrepo.com/publications/general.html>

The changes introduced with the new requirements are:

- With optional release V10.4.x, Windows XP SP3 and Java V1.6.0_18 will be supported.
- The minimum requirements for processors (section 2.1) have been changed.

Kind regards,
Eurex Repo Technical Helpdesk

If you have further questions, please contact your Eurex Repo Technical Helpdesk or send an e-mail to techhelp@eurexrepo.com.
