- (2) The Administering Institution of the Open Market on FWB is Deutsche Börse AG (hereinafter "DBAG"). The administration of the DBAG pursuant to Clause 1 shall not comprise the trading with structured products in the Open Market of FWB. Structured products within the meaning of these Terms and Conditions are the securities defined in the Annex to § 3 Paragraph 1 of the Exchange Rules for the FWB (hereinafter "Exchange Rules").

§ 2 Scope of Application of the Terms and Conditions

- (1) These Terms and Conditions regulate the participation in trading in the Open Market, Quotation Board (hereinafter "Quotation Board") and in the Open Market, Entry Standard (hereinafter "Entry Standard") (hereinafter jointly referred to as the "Open Market") as well as the inclusion of securities into trading in the Quotation Board or in the Entry Standard. The trading procedure is regulated by the Trading Regulation for the Regulated Unofficial Market on FWB (hereinafter "Trading Regulation").
- (2) These Terms and Conditions shall apply to the business relations between the DBAG in its function as the Administering Institution of the Open Market, the Participants pursuant to § 6 Paragraph 1, the Applying Issuers pursuant to § 16, the Guarantors pursuant to § 18 Paragraph 5 and/or the Parent Companies pursuant to § 18 Paragraph 5.

§ 3 Amendments to the Terms and Conditions

Such amendments shall be deemed approved if the Participant, the Applying Issuer, the Guarantor or the Parent Company does not submit an objection in writing or electronically prior to such effective date. DBAG shall specifically point out such deemed approval in its offer.
- (2) In the case of an objection pursuant to Paragraph 1, DBAG may terminate its business relations to the Participant, the Applying Issuer, the Guarantor or the

Parent Company subject to a notice period of six weeks. The right to termination for good cause remains unaffected.

§ 4 Trading System, Currency

- (2) DBAG shall determine the trading currency and the settlement currency. DBAG may determine that a security is traded or settled in multiple currencies.

§ 5 General Cooperation Obligations

Regardless of any particular service obligations according to these Terms and Conditions, the Participants and the Applying Issuers are obligated to contribute to an orderly operation of the business relations to an extent which can be reasonably expected. This includes in particular

- the immediate transfer to DBAG of all information having come to their knowledge, such information being necessary for an orderly course of the business relations according to these Terms and Conditions and/or for the orderly trading and/or the orderly transaction settlement of the securities included in the Quotation Board or in the Entry Standard,

§ 7 Termination of the Participation in Trading

- (1) DBAG may terminate all or individual business relations to a Participant pursuant to § 6 Paragraph 1 pursuant to these Terms and Conditions for good cause. Such good cause exists if – even under consideration of the legitimate interests of the Participant – a continuance of trade is unacceptable. Good cause exists in particular
